<p>The Superior Evening Lions would like to partner once again with the Superior School District in a "Stuff the Bus" campaign. Containers have been delivered to the schools for collection of new or gently used school supplies that would otherwise be discarded. These items will be stored and added to by the Superior Evening Lions during an August collection of donations at a local retailer. The items will then be divided up and redistributed to the schools at the start of the school year in the fall. Please help us to make this a success by placing useable items in the containers provided (outside the main office and treasurer office) rather than discarding them in the trash. Thank you.</p>	<p>9-12</p>	<p>Superior Lions 6/7</p>
