Rotary is an international service club consisting of over 1.2 million community leaders and business professionals; all of whom are global citizens uniting for the common good. Each year Superior High School students represent Superior High School at the Wednesday Noon Superior Rotary Club Zoom meetings. Between two to three Senior students are chosen each month. These students are selected based on academic achievement, involvement in SHS extra/co-curricular activities and community involvement. If you'd like to apply to be a Student Rotarian SHS representative, please pick up an application from the guidance counseling office. SEE DEADLINES>
