<p>Socktober: Interact Club is collecting new socks for local shelters - Harbor House and CASDA. Bags have been placed in everyone's Advisory. Why? because every night in the United States an estimated 600,000 people live on the streets and need simple things, like socks, to help get them through the night. Please consider donating new socks for those in need. The Advisory classroom that collects the most socks by October 29th will win an ice cream treat for your class.</p>		A. Johnson 10/29
