<p>"El Día de los Muertos" is one of the most important traditions in Mexico and parts of Latin America, it runs from 10/31-11/02 . It's a wonderful way to show we still love and cherish those that have left us. Things we remember them by are set out in an ofrenda.</p> <p>What is El Día de los Muertos, or "Day of the Dead," as it's now known in the U.S.? It's Not Scary, and It's Not Halloween. If you want to learn what this holiday is about, stop by outside the Spanish classrooms on the second floor and see an ofrenda. Make sure you keep social distance.</p>	9-12	Conley/Waletzko 11/6
