Day of Silence is a national event led by the Gay Lesbian and Straight Education Network (GLSEN). Like GLSEN, the SHS GSA focuses on creating a safe school environment for all students regardless of sexuality, gender identity, or gender expression. Even in today's society, 8 out of 10 LGBTQ+ student report being harassed and discriminated against because of who they are. The Day of Silence is a reminder of this startling statistic and an encouragement to combat it.

Remember to keep an eye on your email for tomorrow's FINAL SCAVENGER HUNT CLUE and the form to submit so you can win a certificate to the Spartan Shack! Make sure you didn't miss the directions from Wednesday, either!

Summer School Registration is now open!

Summer school will run June 21st-July 29th

Monday-Thursday with no school on July 5th.

This summer we are offering summer school options for students who may need credit retrieval to get them back on track due to a failed or missing course and also an option for those students who want to take an elective credit that we are offering this summer. We are excited to offer our summer session *on campus* for all core area classes including English, Math, Science, Social Studies and Phy Ed/Health.

NEW this summer, we are also offering three elective classes including Art 1, Careers, and Exploring Business & Marketing 101. Any student can sign up to take an elective class this summer that needs an elective credit.

Our goal is to create learning options that will enable students to successfully complete and pass the course(s) needed to put them back on track for graduation!

****For more information on the core and elective classes being offered at SHS and the Registration Form click [HERE](#) (SHS website).**

For most students, who are considered GEAR UP Outreach Students, they must receive a "service" from WEOP before they graduate from high school. To fulfill that requirement, when we receive their application, we will invite them to attend a virtual workshop or review some related information and fill out a survey. Please strongly encourage graduating seniors to apply for both the TIP Grant and the GEAR UP Scholarship as soon as possible, especially since they are awarded on a first-come first-served basis. Students in the northern region of Wisconsin could mail both applications, including the required supporting documents listed on the application, to our DPI WEOP office in Ashland, Wisconsin:

DPI WEOP Office
620 Beaser Avenue
Ashland, WI 54806

Feel free to contact me directly if you have any concerns or questions whatsoever regarding the TIP Grant, GEAR UP Scholarship or related college and financial aid matters. I can most readily be reached by email or cell phone.

Respectfully,

As students transition from elementary school to middle school, or middle school to high school, they can experience a lot of stress due to the uncertainty of a new school year and environment. This stress is heightened for children and teens who are experiencing abuse, more than ever during isolation. In fact, children and teens accounted for over 41,000 Unique Child Protective Services Reports in 2019 (Wisconsin Department of Children and Families). In order to help reduce stress for children and teens coping with abuse, we are asking for new, unused, or unopened backpacks, school supplies, clothing, activity books, hygiene, and grooming supplies. Please drop off donations at The Center Against Sexual Abuse (CASDA) between 8 am and 4 pm Mon-Fri (except holidays) - 318 21st Ave. East - parking lot entrance

We encourage you to make purchases from local businesses, but we also have an Amazon wish list
