Amid recent events, it is more important than ever that we are well versed on our rights in order to prevent harmful interactions among our peers and authorities. The Student Alliance is proud to be hosting a Know Your Rights workshop through the ACLU, with guest presenter Hope Owens-Wilson. Learn more through this workshop on what your rights are, how to exercise them, and what to do when they are violated. The meeting will take place virtually on May 5th at 12:00 PM. This workshop will be short and no sign up is required - just join the event's Google Classroom (code zx54o2p) for the open link!

As students transition from elementary school to middle school, or middle school to high school, they can experience a lot of stress due to the uncertainty of a new school year and environment. This stress is heightened for children and teens who are experiencing abuse, more than ever during isolation. In fact, children and teens accounted for over 41,000 Unique Child Protective Services Reports in 2019 (Wisconsin Department of Children and Families). In order to help reduce stress for children and teens coping with abuse, we are asking for new, unused, or unopened backpacks, school supplies, clothing, activity books, hygiene, and grooming supplies. Please drop off donations at The Center Against Sexual Abuse (CASDA) between 8 am and 4 pm Mon-Fri (except holidays) - 318 21st Ave. East - parking lot entrance

We encourage you to make purchases from local businesses, but we also have an Amazon wish list
(<https://casda.org/wp-content/uploads/2021/04/CAPM2021-CASDA-Wishlist-w-Amazon-Links.pdf>.)

Please donate what you can during the month of April in recognition of Child Abuse Prevention Month! Questions? Contact Natalie at nataliemarkon@superior.k12.wi.us
