This week's partners are:

Thursday October 3- WITC Broadband Academy and Utility Construction

- Utility Construction Technician can lead to a variety of career options in the utility services industry. Utility contractors and public municipalities of all sizes need a skilled workforce that install and maintain various utility systems including fiber optics, copper communications, electric, water/sewer, oil and natural gas pipelines.
- The Broadband Academy is an online program to prepare workers in the Broadband Field including installer, technician and networking specialist

SHS Students -
your help is needed! Remember, you're somebody's type!
Please consider donating for the blood drive this Wednesday, October 2nd. As in the past, we are hoping to fill all donation slots. See Mrs. Stubbe in Room 2114 if you have questions. Spread the word to continue the SHS tradition.
