Spartan Business Lunches are back. Each week will feature representatives from different business, industry or training partners available here in Superior. This is your chance to talk directly with people in a wide variety of careers, learn about training programs and even network with Hiring Directors and CEOs.

This week's partners are:

Thursday October 3- WITC Broadband Academy and Utility Construction

- Utility Construction Technician can lead to a variety of career options in the utility services industry. Utility contractors and public municipalities of all sizes need a skilled workforce that install and maintain various utility systems including fiber optics, copper communications, electric, water/sewer, oil and natural gas pipelines.
- The Broadband Academy is an online program to prepare workers in the Broadband Field including installer, technician and networking specialist
