Forensic is a great opportunity to explore and learn skills in communication and is for anyone who generally likes speaking, acting, debating, storytelling, improvisation, and performance. Team members are able to have friendly competition whilst developing their self-confidence, speaking skills, and ability to organize and reason.
Be sure to join us on Tuesday, November 19th to learn more.

Monday, November 18th at 11:45, The SHS One Act team will present this year's play "Freak" by Angela Hill in the PAC. The play revolves around Monique, a teenager who suffers through the "freak show" of the high school hallway and then ends up in an other-worldly freak show that challenges her to choose her future.
Although there is a circus setting; this is a serious play that explores suicide. The overall theme is hope. The play is during lunchtime, but please do not bring food into the PAC.
