This week's Business Lunch partners:

9-12

**Anderson
12/5**

Thursday December 5 - WITC

- **The Early Childhood Education program will prepare you to work as a teacher or caregiver in an early childhood setting. You will have the opportunity to combine hands-on learning and student teaching experiences in community-based early childhood settings with related academic work at the college. As a student, you'll take a variety of courses related to early childhood development, curriculum, behavior guidance and working with families that will prepare you for success in this high-demand field**

- **In the Business Management program, you will develop skills for employment in a variety of business settings or prepare to operate a business of your own. Careers can be found in hospitality, sales, technology, retail, manufacturing and financial services. While at WITC, you will learn to plan and implement business strategies. You will have the opportunity to specialize in general business or marketing. A field study experience allows you to practice skills in a real-world business environment**

- **The Industrial Maintenance Technician program will give you practical "hands-on" experience in welding, hydraulics, machining, plumbing, electricity and mechanical maintenance. Opportunities for advancement increase with further education.**

Any student who is enrolled in AP Government for next semester must attend one of the two pre-semester meetings during A lunch on Wednesday or B lunch on Friday. Both meetings are in room 3135. The pre-semester assignment will be handed out at the meetings and if you do not attend you will not receive the assignment and the textbook until the class starts next semester.

9-12

**Campbell
12/6**

Forensics auditions have been rescheduled for next Tuesday, December 10 in room 3110 starting at 3:30. Please see a coach or the Forensics Classroom page for more information!

9-12

**H-K
12/6**

We are holding another Blood Drive on Friday, December 13th. Sign up forms are available outside of room 2114 (Stubbe). Help us reach our goal by donating!
