The Memorial Blood Center needs our help. The recent winter storm has greatly affected the Northland's blood supply. They are currently URGENTLY low or DANGEROUSLY low on all types. Urgently low means less than 3 day supply and Dangerously low means less than 24 hour supply. Help us out by signing up for the blood drive on Friday, December 13th.

Please join us on Monday, December 9th, at 6:30, in the Superior High School PAC for Scholarship Information Night. This is your chance to learn about scholarships offered specifically to Superior High School seniors for post secondary education expenses. Representatives from the Superior Scholarship Foundation, Superior High School, and the Duluth Superior Community Foundation will be available to provide information about available scholarships, the application process, and answer any questions you have. Parents and students are encouraged to attend.

Thursday December 5 - WITC

- The Early Childhood Education program will prepare you to work as a teacher or caregiver in an early childhood setting. You will have the opportunity to combine hands-on learning and student teaching experiences in community-based early childhood settings with related academic work at the college. As a student, you'll take a variety of courses related to early childhood development, curriculum, behavior guidance and working with families that will prepare you for success in this high-demand field

- In the Business Management program, you will develop skills for employment in a variety of business settings or prepare to operate a business of your own. Careers can be found in hospitality, sales, technology, retail, manufacturing and financial services. While at WITC, you will learn to plan and implement business strategies. You will have the opportunity to specialize in

<p>general business or marketing. A field study experience allows you to practice skills in a real-world business environment</p> <ul style="list-style-type: none"> • The Industrial Maintenance Technician program will give you practical "hands-on" experience in welding, hydraulics, machining, plumbing, electricity and mechanical maintenance. Opportunities for advancement increase with further education. 		
<p>Any student who is enrolled in AP Government for next semester must attend one of the two pre-semester meetings during A lunch on Wednesday or B lunch on Friday. Both meetings are in room 3135. The pre-semester assignment will be handed out at the meetings and if you do not attend you will not receive the assignment and the textbook until the class starts next semester.</p>	9-12	Campbell 12/6
